Please inform your server of any food allergies prior to placing your order. Menu is subject to change without notice.

The Illinois Department of Public Health advises that eating raw or under cooked meat, poultry, eggs, or seafood, poses a health risk to everyone but especially to the elderly, young children under 4 years of age, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. Gluten free items are available but are prepared in a kitchen with potential cross contamination. We cannot guarantee a pure gluten free environment
